

E94 PT

E94 PS

Electronic push-button switch
Three lighting modes
(maximum, economic and flashing mode)

Four LEDs

Easy access to battery compartment via the wide opening hinged case

Zip retractable cord

Ultra-compact 4 LED headlamp with retractable cord, three lighting modes (two continuous and one flashing)

The ultra-compact ZIPKA® 2 headlamp is equipped with the ZIP retractable cord system. This feature allows the headlamp to be worn on the head or wrist, or attached to any other support, like a tent pole, etc. This headlamp is extremely versatile, thanks to its three lighting levels (maximum, economic and flashing), which are accessed with a simple electronic push-button switch. In maximum mode, the four LEDs deliver 40 lumens of light and provide enough light to see over a distance of 29 meters. In economic mode, the lifetime of the batteries can be extended to up to 120 hours for a long burn-time. The battery compartment is now hinged for easier access along with an easier to use closure system.

Selling points

- Compact, light and comfortable:
 - 25 % more compact than the TIKKA® 2 headlamp
 - single compartment contains LEDs and batteries
 - ZIP retractable cord is adjustable
- Versatile and energy efficient:
 - Three lighting modes (maximum, economic and flashing mode)
 - 120 h light duration at economic level
- Easy to use:
 - electronic push-button switch
 - battery pack is easy to open
 - ADAPT system is quick to mount
- Four high-output LEDs:
 - 40 lumens (maximum level)
 - shines up to 29 meters (maximum level)
- Reliable:
 - push-button switch limits inadvertently turning on the lamp during storage
 - ZIP retractable cord is made of Dyneema® for excellent durability
- Compatible with lithium batteries:
 - lighter than alkaline batteries
 - better performance at lower temperatures

Specifications

Colors:
- E94 PS: storm gray
- E94 PT: tropical blue
Operates on three alkaline AAA/LR03 batteries (included)
Compatible with lithium batteries
Degree of protection: IP X4 (water-resistant)
Weight: 69 g including batteries
CE
Made in France and Malaysia
3-year guarantee
